Markel CATCo Investment Management Ltd.

Appointment of Experienced Actuary

Markel CATCo Investment Management Ltd. (“Markel CATCo”) is pleased to announce the strengthening of its actuarial capability following the senior appointment of specialist actuary Alissa Fredricks.

Alissa has over 10 years of actuarial experience. Prior to joining Markel CATCo, Alissa was with AIR Worldwide where she was responsible for leading catastrophe risk modeling consulting studies and software services for brokers, insurers, reinsurers, capital markets, regulators, rating agencies and other insurance industry stakeholders. Prior to AIR, Alissa worked in actuarial consulting services at Willis Towers Watson and Aon.

Alissa has obtained her Certified Catastrophe Modeler designation and received her Bachelor of Science in Astrophysics, Class of 2004, from Rutgers University.

Alissa will report to Sam Niles, Chief Actuary at Markel CATCo.

Tony Belisle, Chief Executive Officer of Markel CATCo Investment Management Ltd., said:

“Much of the success of Markel CATCo’s unique product is owed to the strength and accuracy of the modeling that sits behind it. This critical part of our business allows us to provide our clients with increasingly sophisticated solutions. Alissa will play a key role in delivering further value to our clients and I warmly welcome her to the Markel CATCo team.”
